EXPERIENCE

The Recurse Center

APRIL 2020 - PRESENT

Participant | Full Stack Developer in Training

The Recurse Center is a self-directed, community-driven educational retreat for programmers in New York City but held remotely due to the current situation.

Here's a summary of each week: <https://github.com/stefi23/RC-journal>

Rock, Paper, Scissors:

Created a website on which you can play "Rock, Paper, Scissors" against the computer.

- React, Javascript, Bootstrap, HTML, CSS
- Github: <https://github.com/stefi23/Schere-Stein-Papier>
- Live Demo: <https://stefi.codes/Schere-Stein-Papier/>

Personal Blog:

Created a personal blog with Gatsby.

- Gatsby, React, Javascript, GraphQL, Bootstrap, HTML, CSS
- Github: <https://github.com/stefi23/blog>
- Live Demo: <https://stefi.codes/blog>

Backend for a Weather App

Created a REST API Node.js project that can handle validations and retrieve the data only from the below mentioned APIs.

- Express, NodeJS, Here Maps Geocoding API, Open Weather API
- Github: <https://github.com/stefi23/weather-app>

CodeOp

SEPTEMBER 2019 - MARCH 2020

Full-Stack Developer

The program is focused on programming fundamentals, advanced JavaScript, data structures, and algorithms. Technologies used include React.js, Vue, Node.js, Express, PostgreSQL, Git, and Heroku.

Wake Up And Fly:

Created a website that tells you what time you should wake up to catch your flight.

- React, JS, Express, API's: HereMaps and Flightstats. Deployed on Heroku.
- Video Demo: <https://youtu.be/IQyeCHCUhEA>;
- Live Demo: <http://wake-up-and-fly.herokuapp.com/>; (Flightstats API expired)

Weather App:

- React, JS, API's: OpenWeatherMap and Pixabay.
- Live Demo: <https://stefi23.github.io/WeatherApp/>

To-Do App:

- React, JS, HTML, CSS and Bootstrap 4
- Live Demo: <https://stefi23.github.io/to-do-app-react/>

RGB Color Picker:

- React, JS, HTML, CSS and Bootstrap 4
- Live Demo: <https://stefi23.github.io/RGB-Picking-Colors-Tool-React/>

I've decided to transition into tech I spoke at [QueerJS in Paris](#) about this career change.
